

**CoreMatrix™** is a truly extraordinary formulation that provides a complete nutrient combination that helps support overall bone health for the skeletal matrix.

**CoreMatrix** contains highly absorbable calcium and magnesium, plus other minerals and cofactors necessary to build and maintain healthy bones, such as the Krebs Cycle Intermediates.

**CoreMatrix** is excellent for women of child-bearing years, peri-menopause, and post-menopause concerns. It is a concentrated source of calcium to promote strong bone density, teeth and overall good health.

### Key Ingredients of CoreMatrix:

**Vitamin D3 (as cholecalciferol)** - Bioidentical form for better absorption. Vitamin D3 is essential for the maintenance of healthy bones because it promotes intestinal calcium absorption, helps regulate calcium homeostasis and supports bone formation.

**Calcium (as calcium malate and calcium hydroxyapatite)** – An excellent source of bioavailable calcium, a full spectrum of minerals, provides intact organic bone matrix (i.e. collagen protein and glycoaminoglycans) and mucopolysaccharides for complete bone nourishment.

**Magnesium (as magnesium malate)** – Plays an important role in calcium metabolism and acts with calcium to support many biological processes including proper bone formation, muscle contraction and relaxation and nerve transmission.

**Manganese (as manganese citrate)** – Manganese is an essential trace mineral needed for healthy skin, bone, and cartilage formation as well as glucose tolerance. It also helps activate superoxide dismutase (SOD) an important antioxidant enzyme.

**Ipriflavone** – A derivative of naturally occurring isoflavones, it has demonstrated an inhibitory effect on bone re-absorption. Preliminary research suggests that its effectiveness is greater when combined with vitamin D3.

**Boron** – Supports the production of hormones involved with bone health.

#### Krebs Cycle Intermediates Blend:

- |               |               |               |
|---------------|---------------|---------------|
| Citric Acid   | Malic Acid    | Fumaric Acid  |
| Aspartic Acid | Glutamic Acid | Succinic Acid |

Supplement Facts		
Quantity: 120 capsules		
Serving Size: 1 Capsule	Amt Per Serving	%Daily Value
<b>Vitamin D3</b> (as cholecalciferol)	100iu	25%
<b>Vitamin B6</b> (as pyridoxine HCL)	10mg	500%
<b>Calcium</b> (as calcium malate and calcium hydroxyapatite)	150mg	15%
<b>Magnesium</b> (as magnesium malate)	30mg	8%
<b>Zinc</b> (as zinc citrate)	5mg	33%
<b>Copper</b> (as copper citrate)	250mcg	13%
<b>Manganese</b> (as manganese citrate)	250mcg	13%
<b>Betaine HCl</b>	30mg	*
<b>Ipriflavone</b>	25mg	*
<b>Boron</b> (as boron citrate)	1mg	*
<b>Krebs Cycle Intermediates Blend</b>	50mg	*
Citric Acid		
Malic Acid		
Fumaric Acid		
Aspartic Acid		
Glutamic Acid		
Succinic Acid		
* Daily Value not established		

**Also Contains:** gelatin, microcrystalline cellulose, magnesium, stearate, silicon dioxide.

**Allergy Information:** This product contains soy.

**Directions For Use:** Take one (1) capsule one to four (1-4) times a day with meals, or as directed by your health care professional. Keep out of reach of children.

If you are pregnant or nursing, consult a physician before using this product. This product contains NO egg, dairy, fish, peanuts, crustacean shellfish (lobster, crab, shrimp), tree nuts, wheat (gluten), or yeast. Contains no artificial sweeteners, flavors, colors or preservatives. This product has not been evaluated by the FDA and is not intended to cure, treat, diagnose, or prevent disease.
