Using Your PRObe

Slowly insert the smallest tapered end first. Be sure to use plenty of lubricant. The PRObe can be used as an anal sex toy. Insert to create a sensation of fullness or pressure. As your pelvic muscles contract during orgasm, the PRObe can intensify the sensation by giving your body something to squeeze against. The 10 powerful vibrations deepen the experience. Using this toy as part of your sexual encounter can lead to intense anal fulfillment and amazing orgasms. The flared base at the end of the plug will ensure the plug does not insert all the way.

Charging

Vibrator arrives partially charged. Fully charge prior to first use. Be sure to charge for at least 40 minutes prior to first use. Connect the USB cable to the USB port of an AC Adapter, your computer, or other power source and the other end to the toys input port. Align the magnetic dots on the toy with the dots on the charging cord.

Only use the charging cord provided in this package with this product.

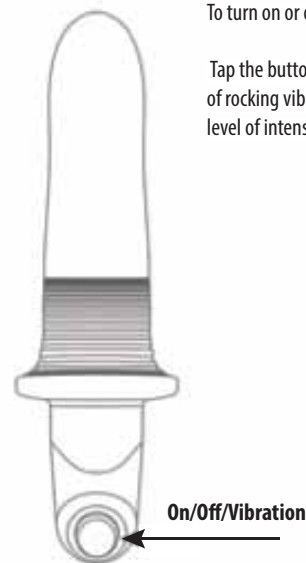

The light will stay on constantly while charging and flash when fully charged. Approximately 3 hours to fully charge. Do not over charge for long periods of time.

Complete charge: 3 hours / Run time low speed: 3 hours

Operating

To turn on or off, press the power button for 3 seconds.

Tap the button to cycle through 9 additional intense functions of rocking vibrations. Each tap will cycle to the next vibration level of intensity.

Anal Play Note: The anus is one of the most sensitive orifices of the human body and it is usually the one least mentioned, despite the fact that gentle probing of the anus can bring men and women intense pleasure. Be daring and experience erotic pleasures and a wonderful feeling of sexual elation.

The rectal sphincter is extremely sensitive and should be stimulated with care. To ensure you have a healthy, safe and pleasurable experience, be sure to use an ample amount of lubrication (i.e. Athena's Perfectly Pure) and remember never to insert anything into the vagina after it has been in the rectum without thoroughly washing it first!
