 Be Original. Be Crazy!

There are a ton of great ways to help raise both money and awareness for breast cancer, but few are as fun as Athena's Cup! Spa/Sensual product company Athena's Home Novelties is sponsoring the drive to collect over 169,000 bras in an effort to break the current world record of the longest chain of linked bras.

Lesbian friendly Athena's is asking that you mail them your old/ill fitting bras to help them break the world record this October in order for them to bring even more awareness to breast cancer. If you have a particular loved one who has ever suffered from this heartbreaking disease, write her name on the bra you donate and make her a part of the potentially record breaking chain. They are also asking for a 5\$ donation that you can mail in along with your bra to help further the cause.
