"Goddess Bedtime Stories: 21 Tales to Keep You Up All Night" edited by Athena's Home Novelties founder Jennifer Jolicoeur is a sexy book of men's and women's fantasies that is very difficult to put down. One of the best things about this book is that it is broken down into 21 stand-alone chapters, each one outlining a very specific, and very sexy, romantic fantasy.

This book gets five stars because it's fresh, it's fun, and it contains something for everyone because it includes stories for the homosexual community and the heterosexual community, male and female.

"Goddess Bedtime Stories: 21 Tales to Keep You Up All Night" also works some of the sensual products from Athena's Home Novelties in its stories. Not only is this a great marketing technique, it is also a wonderful way of being introduced to products that you might ordinarily overlook. The product placement is done sparingly and tastefully, so it enhances the stories without being heavy-handed.

Some of the products featured in "Goddess Bedtime Stories: 21 Tales to Keep You Up All Night" include the Njoy Pure Plug, the Celebrator, WET Light, and Petals (review of Petals is coming soon, so please subscribe to the Boston Romance Examiner by clicking the "Subscribe" button on this page to be notified of new articles and reviews).

Another fun fact about "Goddess Bedtime Stories: 21 Tales to Keep You Up All Night" is that the stories were written by the men and women who represent Athena's Home Novelties and sell their products. The stories are just as individual as the Goddesses and Adoni who wrote them. One story in particular even has a local setting. "One Spring Night" by Goddess Laurie Picot is set in Boston, MA

Read this book alone, or with your partner. Like the title promises, "Goddess Bedtime Stories" is sure to "keep you up all night." Highly recommended. For adult audiences only, 18+.

From [Athena's Home Novelties website](#):

This erotic story book, written by the Goddesses and Adoni of Athena's can help lovers deepen their desire to communicate and play. The book is grounded in the vision that women will connect with a sensual part of themselves again — or for the first time. Lose yourself in a sea of erotic tales. Warning: the side effects of this book include increased communication and great sex.
