orgasms. Tasty Twist from Athena's Home Novelties comes in three flavors, including Orange Dreamsicle, and it really does deliver exactly what it promises.

Tasty Twist also comes in Buttercream Icing and Chocolate Mint flavors. This review is based on the Orange Dreamsicle. This product has a thicker consistency than a lubricant. It can be applied to the clitoris or penis for a warm, tingling sensation.

The flavor and effects of Tasty Twist are both long-lasting. This product has a pleasant scent and flavor; it enhances stimulation and climax. A little bit goes a long way, so be sure to spread a small amount of Tasty Twist at first, then add more if needed. There's no need to apply a large amount (unless you want to!)

Here's the description from Athena Home Novelties website:

This incredible oral-gasm enhancer will tickle more than just your taste buds! Apply this unisex cream to the penis or clitoris to enhance oral or manual stimulation.

Athena's Home Novelties has a variety of high-quality, sensual products designed to enhance your 21st century romance.
