When testing this product, it really did perform exactly as described. The icy cool gel lathers into a fresh-smelling minty froth that leaves the skin feeling cool and tingly. The [Heavenly Goddess Zing! Bath & Shower Gel Tingly Mint](#) rinses off completely with no oily or greasy residue. Their exclusive hemp and argan oil formula effectively cleanses and moisturizes the skin.

One of the nicest things about this product is that it leaves the skin feeling soft and tingly with a lightly lingering scent of peppermint. That's because Heavenly Goddess Zing! Bath & Shower Gel Tingly Mint actually contains real, natural peppermint to make your skin feel energized.

Another great thing about this luxurious bath and shower gel is that it's drug-free and cruelty-free; and it's made in the USA!
